Let's make Picture Day something to buzz about!

"We recently did a photo shoot and the images are fantastic. The smiles on the kids faces are genuine and so big. It is clear that the photographer took their time to make the kids feel comfortable and worked hard to get the perfect shot. The final images are beyond great, and we are so pleased with the results. We will be using this company again!"

With **17+ years of experience**, we're committed to giving parents a smooth, enjoyable experience that leaves them buzzing with excitement!

"Honeybee photography went above and beyond to make picture day a success. It was a smooth process from scheduling to the day of. The kids felt comfortable with the team and took amazing photos. Parents were so pleased with the quality of the pictures. They won me over and I would highly recommend Honeybee!"

- Jenny Bromonsky, Director
Tiny Seeds Christian Preschool

"Being in daycare for 15+ years I have used many different photographers for school photos. This team is by far the best. They are very efficient at what they do. They make sure to pre-plan before the day of the photos so everything runs smoothly the day of. They take their time with each kid making sure their hair is just right and their faces are clean. The pictures always come out great and parents are pleased with the results!"
